A letter from the Executive Director

We recently said good-bye to a vital part of MAC. Business & Communications Director, Kristine Kinsella, has moved on to an exciting Position at the Yale School of Music. We wish her luck and look forward to introducing a replacement very soon.

Another note of interest is our long-time Membership Chair, Jean Cianciollo has decided to step down. This is a very important element to the success of the Arts Council.

We are looking for an energetic person with great communication and people skills who has the time to make personal calls to activate the membership and assist committees coordinate their needs with volunteers.

Anyone interested, please contact me.
Best Wishes, *Paige Miglio*
