THE MAC IS BACK!

MAC IN THE PARK

AMBASSADOR PROGRAM

SETTING THE STAGE

The MAC has kept busy this summer providing outdoor experiences to enjoy, making sure the arts were accessible and plentiful! Now we turn our attention to our home stage in downtown Milford. Our staff and volunteers cannot wait to open our doors, welcoming you to experience everything planned to entertain, enrich and enlighten!

THE MAC IS BACK!

We are bringing you exciting programs and events back inside our home, the MAC! We are also making adjustments for your added comfort and safety as we care about our volunteers, our performers, and YOU!

MAC IN THE PARK

We had an amazing time in Eisenhower Park sharing our new stage with hundreds of happy people who enjoyed live concerts in our "small city with a big heart." We thank all of our volunteers for their hard work!

AMBASSADOR PROGRAM

We are looking to you, our members, to become the best advocates for our organization. The more you share what we do and help us grow memberships, the more points you can earn towards free tickets!

MAC Ambassador Program

You, our members and donors, are the best advocates we have. You support the MAC because you believe in what we do, what we provide, and how the MAC makes you feel.

The MAC needs you - always - to renew your membership, have your business become a sponsor of an event or program, make donations (there's a button for that!), attend events, bring friends and invite them to join, and talk about us sharing why and what you love about the MAC.

We are offering an **Ambassador Program**. For every member that you invite and who joins (*over the \$50/Patron level), you will receive points towards a free beverage in the Speakeasy, MAC merchandise, or choose to save up for a free ticket to a MAC event.

The MAC lives and breathes by your continued support. Membership has value and perks; moreover, your membership is valued by the MAC.

Upcoming at the MAC! and Firehouse Gallery, too
